

“The change in him since he started work is extraordinary.”

Rod, Tyler's
Employment Officer

“Tyler is fostered as his father is in prison and the rest of his family is unsettled. His foster mum approached Pure to try and find him a job. Tyler said he would consider any work where he was hands on, so Pure found him a work trial in gardening.

Tyler has really blossomed in the real work environment. He has proved to be keen to learn, hard working and very ambitious. He has started to show signs of maturity and his unpredictable behaviour has calmed down. Working has made it possible for him to have driving lessons and move into a flat with his new girlfriend.”
