

**“Her confidence and self esteem have rocketed.”**

**Margaret,  
Sharon's Employment Officer**

**“Sharon really wanted the chance to improve her food preparation catering skills. Lacking in confidence in her own skills she didn't like working in large teams.**

**Sharon volunteered at Stepping Hill Hospital to help develop her existing skills, supported by her Employment Officer. After this Sharon was successful in securing paid employment as a Catering Assistant in the large kitchen. Sharon has increased her pace of work, keeping up with the work demands of the kitchen. Sharon's continuing her learning and development and is now working independently of Pure.”**
