Vernon Park Cafe is run by a fantastic local charity, Pure Innovations.

Pure Innovations' mission is to open up opportunities and unlock the potential of those with a defined need or disability but cannot get there by themselves.

They are passionate at creating opportunities for independence, changing perceptions and championing ambition, determined to make a positive difference to individuals and to the community. All profits made within the cafe will be reinvested into the charity to further its social purpose.

ALLERGEN ADVICE

We follow good hygiene practices in our kitchen, but due to the presence of allergenic ingredients in some products there is a small possibility that allergen traces may be found in any item. We advise you to speak to a member of staff if you have any food allergies.

We make our dishes fresh to order and offer a range of homemade cakes, soups, bread rolls, pasties and sausage rolls. We are sure to have something to tickle your taste buds.
